Society Ladies Adopt New Hair Curling Method

Since the introduction of liquid alimony to this country, it has become quite "the proper thing" among society women, who have readily adopted it in place of the destructive curling iron. The waves and curls acquired by the new method are more natural in appearance and prettier than the old-fashioned curls and are not so liable to be blown out by the wind. The liquid is a simple thing to apply with a clean tooth brush at night, when the hair is down. The effect is in evidence in the morning in all that was curled with it. It costs little and is sold everywhere. A few ounces from the drugist will keep the hair in curl for weeks.

EVERY RAILROAD MAN SHOULD READ THIS

Peterson's Ointment Co., Inc., Buffalo, N. Y. Dear Sir: I was afflicted with what the doctors said were Varicose Uterus, and up until about five weeks ago I had been treating them for about a year and five months.

With all the treatments that were prescribed to me by several doctors I received little benefit, and the "knot" spreading and gave me much distress and caused me to quit my work.

I was induced by a brother-in-law to try Peterson's Ointment, and after I had used two boxes I saw the wonderful results. You can tell suffering ones troubled with ugly painful and horrible ailments. It costs little and cures for them when everything else fails, as I have tried about everything.

Thanking you many times over I am your happy friend, Chas. J. Heyner, Hatfield Creek, Minn. 42 Glenwood Avenue, January 12, 1918.

"I know and dozens of people write me," says Peterson of Buffalo, "that Peterson's Ointment also cures eczema, old sores, salt rheum, piles and all skin diseases, and all druggists sell a big box for 35 cents."

People's Drug Stores will supply you under guarantee of money back if not satisfied.

DOCTORS USE CALOTABS FOR COLDS AND FLU

Influenza and Grippe, Like Ordinary Colds, Require Calotabs, the Purified and Refined Calomet Tablets That Are Nauseless, Safe and Sure.

Physicians and druggists claim that the greatest epidemic of influenza has conclusively demonstrated that the quickest relief for a cold and the best preventive of influenza is Calotabs. It is to keep the liver active so that the digestive organs may be in perfect condition. For this purpose Calotabs, the new, non-nauseous calomet tablets that are free from the sickening and sickening effects of the most thorough and dependable as well as the most agreeable laxative.

Calotabs have the special advantage of not making the patient sick and weak, as they do not upset the digestion and appetite. One Calotab at bedtime with a swallow of water—that's all! No salts, no nausea, no griping, no interference with your eating, pleasure or work. Next morning your cold has vanished, your liver is active, your system is purified and you are feeling fine with a hearty appetite for breakfast. Calotabs are sold only in original sealed packages at price thirty-five cents. Sold by all druggists and your money back if you are not delighted with them.

BLISS NATIVE HERB TABLETS

Take Bliss Native Herb Tablets, and you will experience the greatest improvement in your health. They remove the cause of pimples, bad breath, heartburn, indigestion and constipation. They act gently but effectively on the liver, kidneys and bowels. Fat up in two weeks, with all its benefits, and restore healthy, vigorous action. Put up in two boxes, one for the genuine, and look for our trade mark and money back.

Sold by leading druggists and local agents everywhere. Made by Alfonso O. Bliss Co., Washington, D. C.

Face Peeling Easy— Blonde or Brunette

"The blonde's complexion fades, early, because her skin is extraordinarily thin and fine," says Mrs. Lina Cavallieri. "The brunette's, as a rule, is the reverse. The skin is thicker and has a tendency to an oily appearance."

For either the faded blonde's skin or the brunette's oily or sallow complexion, the best remedy is ordinary mercuric wash. Used every night, it will give one an entirely new complexion within about a week's time. The wash gradually peels off a little each day, without affecting the delicate under-skin in the least. The latter will have the exquisitely beautiful glow of youth—indeed, one may readily look ten or fifteen years from her age, so far as appearance goes, by a course of this simple treatment. The wash, procurable at any drug store, is applied like cream.

TO EXTEND TRINITY CAMPAIGN TO NOV. 4

Halloween Ball in Aid of Community Campaign Is Gala Affair.

In order to allow Government departments full participation in the Trinity Community drive, the executive committee today determined to extend the drive to November 4, instead of closing it tomorrow as had been planned. Committee members felt that the great response to the campaign warrants extending the time during which opportunities to subscribe may be given the public.

The executive committee today offered its sincere congratulations to Mrs. James Carol Fraser, chairman of the women's committee, for the brilliant social and practical success of the Halloween ball at the New Willard last night. This affair was one of the most attractive public social events seen in Washington in a long time. Planned by women of long experience in matters of this kind, it was a "common sense ball" in every respect as there was plenty of music for dancing, a fine orchestra, and a bazaar features which have become to be looked upon as a part of public dancing parties.

A brief intermission before supper gave an opportunity for Roland Robbins, chairman of the pageant committee, to introduce a group of famous entertainers who aided the cause of Trinity Community by "putting on" several much appreciated "stunts." These entertainers were Marion Bent and Pat Rooney, who brought from their own company their colleagues, Mlle. Marguerite and Frank Gill, and a lively "jazz band."

The Bureau of Engraving and Printing Band of forty pieces serenaded the ball outside the hotel during the early part of the evening. General Pershing, a special guest of the women's committee, went to the ball shortly before midnight. He was escorted to his box by William Eric Fowler, chairman of the floor committee, the entire company standing in attention as the orchestra played the national anthem.

The ball proceeds were \$3,000, there being little expense. The ball room expense was defrayed by a woman who desired to remain unknown in the matter.

Senator Gronna Spoke. Senator Gronna, of North Dakota, addressed the noon-day luncheon meeting of the committee and general workers today.

Dr. Williams White, superintendent of St. Elizabeth's hospital, paid "Trinity Community House" an unusual tribute yesterday in a talk to the committee members. Without the work of the community house, he said, hundreds of shell-shocked boys would never have gone so far ahead, "is the endorsement of Dr. White."

Without Trinity Community House the work of restoring shell-shocked and mentally disturbed soldiers would never have gone so far ahead, "is the endorsement of Dr. White."

Laude Trinity. "At the time when the demands on us were greatest," continued Dr. White, "when our own forces were depleted by the draft and by greater opportunities for our help in commercial fields, Trinity Community House came to our rescue and for months they have been doing those things for our patients which we could not do ourselves. They have helped and assisted our patients at a time in their lives when they most needed it. I am heartily in accord with what you are doing to help Trinity Community House, not only for what the institution did for my patients, but because it exhibits that type of sociology which will be a saving clause in the problems of unrest now before us."

Reports from team captains today brought the total subscriptions beyond \$15,000 mark. Among the subscriptions were nearly \$600 reported by the Kiwanis Club team; one of \$250 from Washington Plate Players' Union, No. 2; five subscriptions of \$100 each reported by Mrs. David R. Street.

Scores of women will be on the streets today selling tags for Trinity Community House.

FORD "KIDNAPERS" GET 3 MONTHS EACH

Quartet Intended To Go Through With "Pipe Dream."

TOLEDO, Ohio, Oct. 31.—Four men held in connection with the alleged plot to kidnap and hold for ransom Edsel Ford, son of Henry Ford, Detroit automobile manufacturer, were sentenced in police court to three months in the city workhouse.

The officiating magistrate, in sentencing the men, said: "I think you men who came here from the four corners of the earth indulged in this pipe-dream and believe you intended to carry the foolish idea through. You were living here with no means of support and your motives were sinister. Later, if the police learn your records are clear, I may mitigate this sentence."

Richard Ramsey, alias Herron; Eddie Cole, alias Kennedy; Joseph Fisher, and Claude Cameron were arraigned on a charge of being suspicious persons. The four were arrested on the strength of a statement of a private detective.

For either the faded blonde's skin or the brunette's oily or sallow complexion, the best remedy is ordinary mercuric wash. Used every night, it will give one an entirely new complexion within about a week's time. The wash gradually peels off a little each day, without affecting the delicate under-skin in the least. The latter will have the exquisitely beautiful glow of youth—indeed, one may readily look ten or fifteen years from her age, so far as appearance goes, by a course of this simple treatment. The wash, procurable at any drug store, is applied like cream.
